

Dr. Barbara Kirkpatrick

“FORECASTING ‘EVERY BEACH, EVERY DAY’ TO IMPROVE PUBLIC HEALTH INFORMATION DURING KARENIA BREVIS BLOOMS”

January 30, 2018, 3:00pm Eastern Time

To attend the GCAN webinar, click [HERE](#) for the registration and membership sign-up form

Dr. Barbara Kirkpatrick has been the Executive Director for GCOOS since 2014. Prior to taking the management position at GCOOS, she was a member of the Board of Directors. She has over 35 years of experience in human and environmental epidemiology focusing on harmful algal blooms and human health. She has over 40 peer reviewed publications, is the co-chair of the National Harmful Algal Bloom steering committee, and the co-chair for the IOOC glider task team.
